

Narration Cube:
Story Elements

Cut on solid lines, fold on dotted lines, tuck tabs in and secure with a glue stick. After reading is finished roll the cube to see what story element you will be narrating. If using with multiple children, let each child take their turn rolling and narration their part. Mom can participate too! This cube is great for use after family reading as well as independent reading. After independent reading the child can orally narrate her story element aloud or choose to complete a Notebooking Page or written narration.
